not to go to church owing to the roads being so
muddy.

6th August Sunday a nice
bright morning with rather a sharp wind
blowing, taught the children during the
greater part of the morning then went up
their beds washed some of my own clothes,
then walked up to Campbell in the morn-
ing, returning to tea.

7th August Tuesday after
giving some lessons to three children, Repin,
and Mary, Charles and John, to Campbell
then we went to look at the workmen putting
the monument in memory of Dr. Voltaire.
After doing some shopping, then washed

to Railway Station for the home papers, found
a case of apples sent by Williams, which we
brought back in the carriage with us, gave the
children some lessons in reading, writing, and
music in the afternoon,

8th August Wednesday morning
rather dull morning, sharp and cold air,
gave the children lessons during the greater
part of the morning, they did not seem as her
promised her words, which was very tiresome
as their work has been required to be executed during
without delay,
